AUGUST MEETING

Assessor

Prepared by Gregory Klingler

August 2026

Report Details:

- Preparation for 2027 rolls has begun. During the next few months, Sales and Sales-to-Assessment ratios will be reviewed and analyzed (annual sales cycles are from July 1st to June 30th). This process is, in part, used to determine the equalization rate along with ORPTS for next year. We are also in the process of reviewing new construction permits and completion certificates which will continue through March 2027.
- As of this date, August 6, 2026, I am happy to report that there were no legitimate Small Claims Assessment Review (SCAR) cases filed this year (one case was filed that does not qualify for a hearing). Although we only had seven (7) grievance cases this year – and the Board reduced five (5) of them – there is the possibility that there could be a last minute filing as property owners need to have mailed petitions post marked July 31st but have up until 10 business days be received by the Assessor's office.

August 2026 Meeting

REPORT FOR JULY 2026:

Sent notice to the owner of 11 Overlook Lane renting short term without a permit

7/2/26 Contractor was given 12 properties to mow.

Sent additional information to the farm stand owners in Warrensburg

Septic inspection 1399 Schroon River Road as designed, took photos and filed.

Issued one short term rental permit
Revised one short term rental permit

Sent a court notice to the owner of 13 Dinu Drive for placing a cargo container on the property

Notified the Highway Dept of two contractors dumping top soil in the road on lake Ave.

Provided the Town Board with information regarding what changes a simple farm stand into a more heavily regulated business.

Issued a Fireworks permit for the Smokeeaters Jamboree Warren County Sheriff was made aware of the date.

Sent a court notice to the owner of 29 Burdick Ave for property maintenance

Septic inspection at 71 Snowshoe ridge installed as designed photos were taken and placed in the file.

Sent a court order to the owner of 18 Prospect Street for a junkyard.

Met Mr. Setso for the 3rd and final time to inspect his property under the direction of the court for his ACOD. All was as should be and I so advised the court.

Met with the owner of 2 First Ave. To discuss where their property lines were, in regard to a mowing notice they were sent.

Sent court notices to the following property owners for renting short term without a permit, 247 River Street, 18 Kelm Pond Road, and 26 Kelm Pond Road

Letters were sent to the owners of 3940 Main Street and 3927 Main Street, advising them the vehicles for sale could not be stored on the other parties property. They were advised to contact the Zoning Administrator Patti Corlew to discuss what they can and cannot do.

Attended court with 3 separate property owners on July 22nd

Discussed with a party complaints regarding a short term rental at 3 (B) High Pines Terrace. I physically delivered a copy of their permit, our rules and our law to them, For them to review. They were advised that I do not do as he said she said, and needed factual reports for the noise from either the State Police or the Sheriff. I also notified the property owner of the alleged complaints by mail.

Inspected a like for like emergency septic installation, at 91 library ave. took photos and placed them in the file.

Notified the Fire Company of all burn permits.

Sent a warning notice to the owner of 33 Burdick Ave, for a Junkyard, and fence maintenance, which is falling onto the next-door neighbor's property.

Truck parked on the sidewalk, on Burdick Ave. was finally removed with the assistance of the County Sheriff.

Provided the Mowing bill from the contractor for 7 properties 17.5 manhours totaling \$1487.50. These charges will be placed onto their tax bill as spelled out in the Town Code and Laws.

Sent a notice to the property owner of 27 Burdick Ave. For people occupying a camper trailer on the property, in a full time capacity. The property is not zoned for a campground. They were advised that it is a Zoning Violation and given 30 Days to remove it or face court action.

RE: July 2026 Financial Report

Total Revenue	\$106,557.32
Total Payables	\$205,458.55
Total Accounts	\$427,982.71
Outstanding Town Contracts	\$75,000.00

Notes: Revenue reflects the sales of the remaining two Explorers and Patient Recovery. Patient Recovery remains strong, however, a change in the Medicare system has resulted in delayed payment claims which we will see come in during the month of August. Expenses show the purchase of vehicle replacements from vehicle sales.

If you have any questions, please don't hesitate to contact me.

The information contained in this document reflects information that is believed but not guaranteed to be accurate. "Total Calls" reflect the total number of calls Warrensburg EMS was dispatched to. The call numbers provided on this form are not intended to be balanced and calculated as a checkbook. There are other calls that the department has handled that are not included in this form. For example, calls for Warrensburg, Thurman, and Stony Creek were included as they were deemed pertinent and relevant. However other mutual aid calls to specific towns were not included. To identify total number of mutual aid calls, see the "Mutual Aid" column. Calls for "Warrensburg" are inclusive of calls to "HHHN" and "Countryside" as they are located inside the Town of Warrensburg. This document is intended to be informative. The column for "Transfers" are transports that may be scheduled non emergent or emergent transports, not calls that recieved through the 9-1-1 system.

July Highway Report
August Board Meeting
(Highway Department)
Prepared by Pete Bederian
August 4th, 2026

Another busy month for the month of July. We have begun and completed prep work for the roads we will be blacktopping this year. A day still has not been scheduled yet but we are expecting late August early September. The sidewalks on Green Terrace and a small section on James St. will be replaced. We have also finished all of our mowing in and out of town. Renting a New Holland Mower through a dealer for a month at a time seems to work well.

Respectfully Submitted,
Pete Bederian
Highway Superintendent

August 2026 Parks and Rec Report

As always, we are continuing to mow and weed whack, we were able to work on trimming some trees, remove more fallen trees at the beach, and work on the medians. We also worked on setting the rec field up for the Smokeater's Jamboree.

The concerts have been a huge success this year, and many compliments over the farmers market festivals at Rec Pavilion.

Respectively,

Tracy Benoit

August 12th Town Board Meeting

Planning & Zoning Report

Prepared by Patti Corlew

August 6, 2026

Report Details:

I issued 4 Land Use & Development permits in the month of July.

The Planning Board reviewed and approved a site plan application for a four lot campground at 250 Schroon River Rd.

The Zoning Board does not have a meeting this month.

August 2026 Sewer Report

Changed out the new board for the UV system, after installing the new board and doing a software update the UV is back to normal.

Switched out manholes on Pasco Ave, Hudson St and Elm St for the paving projects. We were on-site during the paving so we could use risers to adjust our manholes to be level with the new black top.

We had the town of Colton visit the plant to look at our Bar Screen. They are potentially having one installed and wanted to see how ours operated and to get our opinion on it. We gave them a plant tour while they were here.

Cleaned out the wash box on both sand filters with air, they both had quite a build up in them, after cleaning both sand filters were running extremely clean.

Did an oil change on our blowers, it was time for the yearly maintenance.

Respectfully,

Jeremy Scroggins

August 2026 Water Report

Water was turned off at several homes so they could make some repairs. We received a call for a squealing meter, the homeowner replaced their pressure reducing valve. A business owner asked us if we could investigate a possible waterline that could be tied into our system, it was not. A new meter was installed, and the water was turned on at a residence. A new fire hydrant was installed at the corner of Commercial Avenue and South Street. The new vfd was installed at the wellhouse and all four wells are running again. Met with Cedarwood Engineering and Rosick's Well Drilling for location of the new well.

Respectively,

Tracy Benoit

Town of Warrensburg Historian July Monthly Report 2026

Historical society meeting on 7/7.

Did the drawing for the raffle to benefit the historical society . I sold 50 tickets at twenty each . A big 1000.00 Yeah .

Worked on computer and filed material .

I volunteered at the museum weekends .

Have been searching ,finding,and sorting information on the Thurman Exhibit .

Have located and borrowed many items from family and friends for the Thurman Exhibit.

Went to the Johnsburg museum to see the Victorian Lady on fashion at the turn of the century (1900).

I have organized the placement of all to be in the Thurman Exhibit .

Report from the Director

2025 – A YEAR OF COMMUNITY BUILDING

In 2025, we continued programming that focused on community building, had new exhibits, received grants/donations, and much more!

We hosted a variety of programming, as seen in the orange word block - on-site/off-site, and led by Staff or outside presenters. It was wonderful to host free children's crafts at the Riverfront Farmers' Markets and the STEM series with the new supplies in the summer. We added more toys and games to play with in the Children's Room!

We hosted a variety of new exhibits from outside sources and our Archive collection. We had Messages From Survivors: One Family's Holocaust Legacy travelling exhibit from The Memory Project Productions, which was brought to our Southern Adirondack Library System (SALS) by a grant from NY Assemblywoman Carrie Woerner. There was a Flora and Fauna exhibit by Drew Monthie which was coordinated with Warrensburgh Beautification. Staff (Marie) created multiple in-house exhibits in our various display cases showcasing items from our Archive collection - collected by the Richards Sisters and extended family members on their travels.

A new Strategic Plan (2025-2030) was drafted based upon community survey responses from 2024 and other research. This is available on our website under 'By-laws & Policies'. This plan will help guide Staff and the Board the next five years.

We were awarded a of couple grants in 2025. Through the Lake Placid Education Foundation, we received grant monies to 'Increase Archival Attention' to allow for staff to focus on organizing, accessioning, and properly storing our entire Archival collection. Through the Adirondack Architectural Heritage, we received grant monies for our 'Chimney Cap Restoration Project' to replace our chimney cap and repair the support stonework. Both of these projects will be implemented into 2026.

We are incredibly grateful to our community for all of the material and monetary donations this year. We received Great Courses, books, DVDs, puzzles, seeds, school supplies, and probably more!

Thank you to all!

Shelby Burkhardt
Library Director, The Richards Library
