

June 2025 Water Report

Four frostplates were repaired, water was shutoff for homeowner repairs at one residence, water was turned on and meter reinstalled at four customers, and four meters were repaired because they weren't spinning, we found some debris in the meter turbine.

The water main line is out to bid for Jenni Jill Loop as well as repairs for the tank.

Respectively,

Tracy Benoit

June 2025 Parks & Rec Report

With all of the rain we have busy mowing and weed whacking. We were able to get all of the cemeteries and parade route ready for Memorial Day, and able to give the cemetery a hand getting ready.

We are now working at getting Echo Lake Beach ready for opening at the end of the month.

Respectively,

Tracy Benoit

June 11th Town Board Meeting

Planning/Zoning Report

Prepared by Patti Corlew, Zoning Administrator

June 6, 2025

Report Details:

There were 2 Septic and 7 Land Use & Development permits issued in the month of May.

The Planning Board nor the Zoning Board have a meeting this month due to lack of applications.

June 2025 Sewer Report

Replacement sand was delivered for our sand filters, the sand was removed and then replaced. The filters are running great.

Did testing for Oxygen in the lagoons and made adjustments to our air.

Flushed manholes on the northern end of Main Street, monitored the flow going to pump station B to ensure everything that got flushed didn't cause any problems and everything went great.

Started our mowing for the year, grass is growing fast with this constant amount of rain we have had.

Back flushed both pumps at pump station C due to a call out for high water, both pumps are now running perfect.

Performed our second round of PFOAs testing for the year. Currently waiting on results

Respectively,

Jeremy Scroggins
