

November 2025 Parks & Rec

It's been very busy winterizing the parks, doing fall cleanup, and putting equipment away for the winter.

We have also started decorating for Christmas in Warrensburg.

Respectively,

Tracy Benoit

November 2025 Water Report

Seven meters were removed and water shut off. One meter was reinstalled and water turned on. Two customers had us help investigate for high usage. Well #5 flashed a failure code, we had Emerichs diagnose what the problem was, and found out the pump motor was bad. Rosick's is going to install a new motor we have in stock.

Meters were read for the final quarter of the year.

Respectively,

Tracy Benoit

November 2025 Sewer Report

We had our yearly Sewer Plant inspection performed by DEC, which found no deficiencies and no changes to our permit this year. We can continue with our new testing.

The winterization process at the plant has started in preparation for the cold weather, we have installed our removable walls around our mechanical screen to keep heat in and snow out.

The UV units were pulled and cleaned and stored away for the winter. Replaced any bulbs and quartz sleeves that were either blown or soiled.

Respectively,

Jeremy Scroggins

Planning & Zoning Report

Prepared by Patti Corlew

November 6, 2025

Report Details:

There were 3 septic and 9 Land Use and Development permits issued in the month of October.

There are no Planning nor Zoning Board meetings this month due to lack of applications.

NOVEMBER MEETING

Assessor

Prepared by Gregory Klingler

November 2025

Report Details:

Work continues on the 2026 rolls. This includes file maintenance, updates, reviews of property record files and recent sales. This is also the time of year we perform field reviews, exterior inspections and take photos of new construction and other property changes. Over the next few months we will be working with the Office of Real Property Tax Services on the equalization rate for 2026.

During the first week of October, your Assessor was in attendance at the New York State Associations' annual fall conference in Lake George. Classes taken were "Beyond the Roll: A deep dive into the roll of the Assessor" presented by the New York Association of Towns, "Inventory and cost valuations of communication towers and wireless carriers", "Legal and Valuation Challenges in Property Tax Assessment", and "Metes and Bounds, Deed Sketching & Surveying Fundamentals".

**Town of Warrensburg
Dog Control Report
October 2025**

- **October 15:** Attended court; case was dismissed. New court date set for October 29.
- **October 26:** Received a call for 12 Terrance Ave. The dog was transported to Barks and Rec and remained unclaimed.
- **October 26:** While at the Warrensburg exit, I was dispatched to Alden Ave (Rays Rd). The dog was transported to Barks and Rec and later returned to the owner.
- **October 29:** Appeared in court for barking dog case.

Respectfully submitted,

Florence Converse
Dog Control Officer

NOVEMBER Board Meeting

(Highway Department)

Prepared by (Pete Bederian)

November 12, 2025

We have been busy this month preparing for the winter season. We have hauled 4500 yards of road sand and have cleared all obstacles for plowing. We have put all our equipment that we are not using into the pole barn for storage. Also, we got all equipment changed over for winter season.

Respectfully Submitted

Pete Bederian

Highway Superintendent
