OCTOBER MEETING

Assessor

Prepared by Gregory Klingler

October 2026

Report Details:

Over the fall and winter months, recent sales and new construction parcels are reviewed, analyzed and verified in preparation for the 2027 assessment rolls. This also includes on-site visits and photos of new construction and other applicable properties.

This year we had one (1) Small Claims Assessment Review case (SCAR) that was heard on August 26th. The hearing officer ruled in the Town's favor.

My assistant Tara has been doing a great job. She has picked up on office procedures very quickly and efficiently. She is very personable, friendly and courteous. As of this writing she has already completed two (2) New York State classes towards her certification.

Over the next few months, we will be preparing the renewals for Senior citizen's and other exemptions.

Warrensburg Animal Control Report

September 2026

- | | |
|--------------|--|
| September 2 | I received a call that a woman's older dog got bit by a neighbor's dog. The dog was taken to the veterinarian. |
| September 21 | A woman was being bothered by neighbors. She has two big dogs and when she opens her door the neighbors yell for her to go away. |
| September 23 | I received a call that a dog is not being fed well. I could not find the dog. |

JIM.HULL@ WARRENSBURGNY.GOV

JAMES S. HULL

REPORT SEPTEMBER 2026:

Issued a stop work order at 37 King Street, No permits

Sent a request to move a fence and flag display back away from the fire Hydrant on Marion Ave.

Notified the Sheriff of illegal parking by a Fire Hydrant Distance is 15 Feet.

Forwarded the current contractor bill for mowing and cleaning up to the Tow Clerk \$ 679.00

Forwarded all burn permits to the Fire Company

Sive visited 19 King Street cleanup was issued under an emergency order the property is loaded with open garbage bags, the pool is not enclosed children live in the area, basically the property is disgusting. Tennent's were evicted and the property owner lives in California.

Received a notice that the owner of 4015 Main Street will maintain the property for grass removal.

Complaint at 20 Rays Road building with no permit, garbage and two unregistered vehicles, owner was sent a warning.

Was in court with the occupant of Dinu Drive regarding a 40-foot container placed on the property. Town will seek a court order to remove the container; it is obvious that the occupant is not going to comply or failed to understand the Town Codes.

Discussed with the Town Attorney the situation and court days for the occupant of 6 Marion Ave.

Sent a notice to the owner of 3940 Main Street regarding placing vehicles for sale on property across the street.

Compliant of septic smell at 6 Smith street walked property could find no evidence of septic issues.

Investigated a complaint of an illegal dump and lumber Yared at 657 State Route 418.

Assembled mailing notices for short-term rentals which will expire on December 31 2026. They will be mailed on or about November 1 2026. Regular and certified mail.

Issued a court appearance notice to the occupant of 13 Dinu Drive. They have failed to make the exterior of the 40-foot container meet the Town codes, which requires that the exterior meets the uniform appearance of the neighborhood, basically look like every other structure, it does not. As mentioned, the Town will at the October 28th court, Date seek to have it removed from the property.

The information contained in this document reflects information that is believed but not guaranteed to be accurate. "Total Calls" reflect the total number of calls Warrensburg EMS was dispatched to. The call numbers provided on this form are not intended to be balanced and calculated as a checkbook. There are other calls that the department has handled that are not included in this form. For example, calls for Warrensburg, Thurman, and Stony Creek were included as they were deemed pertinent and relevant. However other mutual aid calls to specific towns were not included. To identify total number of mutual aid calls, see the "Mutual Aid" column. Calls for "Warrensburg" are inclusive of calls to "HHHN" and "Countryside" as they are located inside the Town of Warrensburg. This document is intended to be informative. The column for "Transfers" are transports that may be scheduled non emergent or emergent transports, not calls that received through the 9-1-1 system.

September Highway Report
October Board Meeting
(Highway Department)
Prepared by (Pete Bederian)
October 1st, 2026

It was a busy month of September as we concluded our paving project. We did all of our short dead end roads this year and we are happy with how they turned out. We have also finished and completed filling in driveways and shoulders on the roads we paved. We are now in the process of patching major potholes in and around town or areas that need it with hot mix blacktop. We have also put out no parking signs as we normally do for garage sale weekend.

Respectfully Submitted,

Pete Bederian

Highway Superintendent

October 2026 Parks & Rec Report

It's been a very busy month going from mowing to starting fall cleanup. The Bandstand was painted and ready for the 9/11 memorial. We then started setting up for The World's Largest Garage Sale. The cleanup was done everything was put away till next year. We will now start preparing for Christmas in Warrensburg. The tennis / pickleball courts were milled and paved, they will most likely be painted in the spring, due to weather conditions.

Respectively,

Tracy Benoit

October 14th Town Board Meeting

Planning & Zoning Report

Prepared by Patti Corlew

October 8, 2026

Report Details:

I issued 8 Land Use & Development permits in the month of September.

Neither the Planning Board nor the Zoning Board have meetings this month due to lack of applications.

October 2026 Sewer Report

Cleaned up around the inside of the plant for the DEC inspection. Cut down more brush and picked up any debris that was left from changing out diffusers.

Our plant inspection went well, everything was in order and our DEC Engineer was pleased with the condition the plant is operating in.

A chain in cell one had broken at the hose connector piece, the chain was pulled in, connector piece was replaced, while the chain was in we also replaced the diffusers on that chain after inspecting and realizing some of the diffuser pieces were worn out.

Replaced both lines in our chemical feed pumps, we had noticed the usage had started to drop. After replacement, our chemical usage had returned to the intended amount.

Started pulling the grass balls from the diffuser chains, the grass is starting to die off for the season, making sure the excess grass doesn't end up in the lagoons.

Replaced a second hose connector piece on a different chain in cell one that had an air leak, the connector no longer leaks and is operating correctly.

Respectfully,

Jeremy Scroggins

October 2026 Water Report

We investigated low water pressure at a residence and found bad pressure reducing valve, we also investigated several high usages. Water was shut off at two residences for repairs, and high usage was investigated at two residences.

Meters were read for this quarter, and hydrant flushing for the fall is to begin. We have also started winterizing the parks and the cemetery.

Cedarwood and the water department met with DOH, and Cedarwood has come up with a draft for a waterline on lower Main Street.

Respectively,

Tracy Benoit
