SEPTEMBER MEETING

Assessor

Prepared by Gregory Klingler

September 2026

Report Details:

Sales review and analysis of properties that have sold in the past year for the 2027 rolls continues. Verification of arms-length sales and filtering out non arms-length or other non-applicable sales is a critical part of the process. Along with sales review, we also check the status of new construction properties, properties that have had physical changes, etc. This continues through March 2027, Taxable Status Date.

There was one (1) Small Claims Assessment Review case filed this year. The hearing was done remotely on Wednesday August 26th at 10am. The hearing officer said that the final determination would be made, and that notifications of the decision would be mailed out within 30 days.

Animal Control Report August 2026

I received a call about dogs barking constantly on a back street. I spoke to the owner and went over the dog laws with the woman. I drove around the area and there was no further barking.

A man called the State Police and me that he let his dog out and it was attacked. No proof was found on the dog by the vet. The owner of the dogs stated they were in the house all the time. This has blown into a problem with frequent calls to my house and he is threatening to sue the dog owners.

I received a call to Prosser Circle. Shortly after family moved into their home their children had been nipped (did not break the skin) by the dog next door. Somehow CPS got involved. I have been to the dog's house before and explained again to keep the dog contained.

The Sheriff's Office requested for me to go to a house that was under eviction action. When I arrived, there were no people or animals barking when I knocked. I called the Sheriff's Office and made them aware of it.

JAMES S. HULL

REPORT AUGUST 2026:

Site visited 51 Orton Drive to investigate a complaint regarding cutting of flowers and a fence erected. I advised the complaining party that the issues were a civil matter.

Replied to a call from the company holding 9 Orton Drive. I advised them that they were notified and warned about the grass and that the Town will continue to mow the property until such time as they notify the Town Board in writing as to who will maintain the property.

Discussed the ongoing situation at 6 Marion Ave. A written complaint was filed with the Town regard in Garbage, naked children in the streets, and motor vehicles. The Tennent is currently in the Town Court system.

Forwarded a call regarding Headstones being uncovered at 826 Alden Ave. The information was forwarded to the sheriff as the law requires.

Inspected a septic install at 122 Rolliess Road. Installed as designed, took photos and placed them in the file.

Pickup off premise advertising signs from Town streets, placed them in the planning office with the others.

Issued 3 short term rental permits.

Attended court with people who rented short term, with no permits.

Sent a property maintenance notice to the owner of 131 River Street.

Searched regulations for the new law allowing vending of marijuana at farmers markets, and at the Worlds Largest garage Sale.

Sent a warning for grass to 122 river street.

Sent the contract mower to, 5 Robin Drive, 193 river Street and Abel Energy.

Sent a copy of the letter from a resident of Marion Ave. to Warren County Sheriffs.

Sent a court notice to the owner of 20 Keyes street Garbage on the ground, owner has been warned in the past.

Had several discussions with the Town Attorney regarding various items on the docket.

Sent a warning notice to the Tennent of 38 Burdick Ave. for a junkyard.

Site visited Library Ave Extension regarding a complaint of construction going on in the area. Complaint was unfounded.

Site visited 19 King Street after a complaint. Property is loaded with garbage, inside and out, the pool is not fenced and full of water. Contractor was called to act on an emergency basis to clear the garbage, which animals have been into, remove the pool and correct the fence and

grass conditions. Also remove the garbage from the garage which is full and running over. The property s absentee landlord owned and has had issues in the past with the property.

A handwritten signature in black ink, appearing to read 'J. S. Hull', is written over a large, faint, diagonal watermark or background line.

The information contained in this document reflects information that is believed but not guaranteed to be accurate. "Total Calls" reflect the total number of calls Warrensburg EMS was dispatched to. The call numbers provided on this form are not intended to be balanced and calculated as a checkbook. There are other calls that the department has handled that are not included in this form. For example, calls for Warrensburg, Thurman, and Stony Creek were included as they were deemed pertinent and relevant. However other mutual aid calls to specific towns were not included. To identify total number of mutual aid calls, see the "Mutual Aid" column. Calls for "Warrensburg" are inclusive of calls to "HHHN" and "Countryside" as they are located inside the Town of Warrensburg. This document is intended to be informative. The column for "Transfers" are transports that may be scheduled non emergent or emergent transports, not calls that recieved through the 9-1-1 system.

August Highway Report
September Board Meeting
(Highway Department)
Prepared by Pete Bederian
September 1st, 2026

We had a productive and busy month of August. We finished the sidewalk projects on Green Terrace and James St we are very pleased with how they turned out. All of our prep work for blacktopping of our short streets have been completed. Blacktopping dates are set for 9/3, 9/8, 9/9 notices have been sent out to residences advising them of possible delays.

Respectfully Submitted,
Pete Bederian
Highway Superintendent

2026 LANDFILL REPORT

[illegible]

September 2026 Parks & Rec Report

The grass is still growing and we are still mowing. The townhall and the bandstand were power washed. We decided it was a good time to paint the bandstand. The beach has closed for the season and we are starting to get it ready for winter.

Respectively,

Tracy Benoit

September 9th Town Board Meeting

Planning & Zoning Report

Prepared by Patti Corlew

September 3, 2026

Report Details:

I issued 1 Septic & 4 Land Use & Development permits in the month of August.

Neither the Planning Board nor the Zoning Board have meetings this month.

September 2026 Sewer Report

Replaced two diffusers, one in cell two and another in cell four, that were not operating properly.

Did an oil change on the pumps at pumpstation A and pumpstation B, both were done for yearly maintenance.

Submitted our Emerging Containments testing to DEC that was required of us to complete last year.

Completed a test on the high-water float in pump station A, we found that the float was no longer operating. The float was replaced with a new one, a test was completed and it was found to be operating correctly again.

Swapped out the manholes from three inch to one inch on Marion Ave, Grand Ave and King St for the upcoming paving projects.

Replaced a hose going to a diffuser in cell one that had developed a hole and was leaking air.

Cleaned up the vines and brush that had been growing around the fence at the sewer plant, also cleaned up some of the old equipment that had been taken out of commission.

Respectfully,

Jeremy Scroggins

September 2026 Water Report

The water was shut off for repairs for several residents; we also replaced the frost plates on two homes. We also investigated a noisy meter, and a leaking meter. Three curb stops and a water main valve were repaired. The test well did not meet our expectations, we were unable to get the flows we needed and could not go deeper due to hitting ledge. We met with Department of Health and Cedarwood Engineering to come up with a plan to replace the existing old cast iron with new pipe, the old pipe is getting restricted and can't supply the water for fire flow that is needed.

Respectively,

Tracy Benoit

Town of Warrensburg Historical Report August 2026

Got a call from Myrna Walters about her donating a large photo of Sun Canyon .

8/1 The Thurman exhibit started ,well received.37came the first day ,24 on Sunday .
